Comments

“ Maxine may have been one of the smallest members of our 1955 High School class, but her personality and friendly spirit was large enough to embrace us all. She was the one who kept up with our class members, and encouraged our reunions through the years. I always enjoyed our visits on the phone. A few weeks ago I sent her a Christmas message electronically which was returned. Little did I know that Maxine was already in Heaven --enjoying the Christmas birthday celebration with Jesus! I miss you, Maxine, and will always remember your friendship and love. --June Tinsley Seat, Class of '55.
