

Melissa Lynne Gunn (Camdenton)

February 28, 1981 - October 7, 2021

Melissa Lynne Gunn was born on Feb. 28, 1981 to David and Bettina Gunn who resided in Climax Springs, Missouri. Melissa attended grade school and high school in Climax Springs as well. She was a great cheerleader, baseball player and singer in high school. After graduation she traveled, worked and played.

Her son, McKinley Ryan Gunn was born November of 2004 and her daughter, Annabelle Grace Gunn was born January of 2016.

Melissa lived in many different places over her lifetime but was living in Camdenton, Missouri with her daughter Annabelle at the time of her passing.

Melissa made a profession of faith as a child and was a member of Faith Baptist Church in Climax Springs, Missouri for many years.

Melissa truly loved being with her children and friends and enjoyed spending time outdoors, creating jewelry, collecting art and antiques and writing songs and poetry. She also really adored every pet she had, from lizards to cats and dogs. She also loved singing harmony with her mom and her friends.

Melissa worked for her father at his Marina on the lake every summer for years and really liked meeting customers and working on the dock. She was very outgoing; raising her was a joy and a daily surprise. She had a mind of her own and was very intelligent, and loving.

She was a champion of the underdog and her biggest desire was to open a beautiful home for women who desperately needed a place to live and some tender loving care, somewhere they would be cared for and understood. She was on the verge of starting to make it happen when she left this world to spend eternity in heaven with God. She will be missed so deeply by her dad, mom and brothers and her two children.

No one who met Melissa will ever forget her! She will live forever in the hearts of her

family and friends.
