“ Sheila was a wonderful person. She got me interested in reading when I was in elementary school and she worked at the Kinderhook Library. She spent many hours helping me find books and introducing me to age appropriate authors. That was about 45 years ago. I have never forgotten her, and will always remain grateful for her help. Prayers to all of her family.

“ Chester and I want to express our deepest sympathy for your family's loss. The thing I remember most about Sheila, was that she was always smiling. Our families visited a lot a long time ago, and we girls had a lot of fun! I visited with her several times in the past few years, and she loved telling me about her family. She was so proud of her children and grandchildren.
