“ All these years I've wondered where you were...Now I know my sweet childhood friend. You are safe in the arms of God!!
My maiden name was Burgess. I lived a few blocks from our church, Hillcrest. Oh the sweet memories that are flooding my mind...We enjoyed church camp and going to church together. We were baptized on June 21, 1967 by Bro. Clark in our culottes (I didn't know what they were until I became your friend). I recall us being anxious about going to Jr. High.
I always thought you had the perfect family...like The Clevers! The Atkinson's were so kind to me. Your lil sister was cute as a button too. Vicky, you were a better friend than I could ever have been & you made life sweeter for this little girl!! I've read some of the wonderful things said about you. Sounds like you remained the beautiful girl I will always remember. I wish I could have known you as well! One day...I will see you again...look for me friend.
To her beautiful family my deepest condolences. May God bless you one and all.

“ When I began working at Positronics I met Vicky and she was one of the finest people I have had the privilege of working with. I have missed seeing her every morning since I left. One of my brightest times in the last few years was when she and Paula called me from a vendor's office. She will be missed.
